

Grievance Policy (Staff)

Feedback from families, educators, staff and the wider community is fundamental in creating an evolving Service working towards the highest standard of care.

It is foreseeable that feedback will include divergent views, which may result in complaints. This Policy details our Service's procedures for receiving and managing informal and formal complaints. Parents and Educators can lodge a grievance with management with the understanding that it will be managed conscientiously and confidentially.

Procedural fairness and natural justice

Kekeco Childcare Pty. Ltd.

Our service believes in procedural fairness and natural justice that govern the strategies and practices, which include:

- The right to be heard fairly;
- The right to an unbiased decision made by an objective decision maker; and
- The right to have the decision based on relevant evidence.

SCOPE

This policy applies to children, families, staff, management and visitors of the Service.

IMPLEMENTATION

Grievances can transpire in any workplace. Handling them appropriately is imperative for sustaining a safe, healthy, harmonious and productive work environment. The Grievance Policy ensures that all persons are presented with procedures that:

- value the opportunity to be heard;
- promote conflict resolution;
- encourage the development of harmonious partnerships;
- ensure that conflicts and grievances are mediated fairly; and are transparent and equitable

We acknowledge that conflict is a natural part of the work environment. It is important that all conflict is resolved. Unresolved conflict can lead to tension; stress; low productivity; bitter relationships; excess time off; ill health; anxiety and many other destructive emotions. When conflict is addressed and handled constructively the outcomes are feelings of relaxation; openness; high productivity; vitality; good health, empowerment; a sense of achievement etc.

Positive communication between educators is vital to the smooth running of the Service and to ensure a positive environment for children. Educators are expected to treat other educators with respect, accept differences and share ideas. It is every staff member's responsibility to contribute to the development of an open, healthy and constructive work environment. All grievances, whether considered minor or not, are to be dealt with promptly, professionally and thoroughly.

The Service's employees are expected to look at conflict in a positive way, ready to learn something new, reflect on good quality practice, improve work relationships and ultimately provide better care & education for children.

Employees are also to be aware of their responsibility in being good role models for children in their handling not only of conflict with work colleagues, but with children, parents and other associates. Employees should regularly reflect on the Code of Ethics- Early Childhood Australia for guidance and direction of appropriate behaviour when dealing with conflict. The Code of Ethics states that all team members should "make every effort to use constructive methods to resolve differences of opinion in the spirit of collegiality."

Privacy and Confidentiality

- Management and Educators will adhere to our Privacy and Confidentiality Policy when dealing with grievances. However, if a grievance involves a staff member or child protection issues, a government agency may need to be informed.

The Mediator will have an interview with the persons involved and clarify the facts, work out whether advice is needed from other sources, discuss options available and help to formulate a plan of action. If an employee does not feel comfortable in approaching their supervisor, or the conflict is with their immediate supervisor, they can contact the next level of management to act as Mediator.

2. If an amicable resolution does not occur at this meeting the Mediator is to present a report to the next level of management outlining:

- The nature of the grievance
- The procedures followed to date
- The solution(s) sought
- The recommended plan of action or resolution

3. If an agreement is reached the mediator is to present a report to the next level of management outlining:

- The nature of the grievance
- The procedures followed to date
- The solution(s) agreed upon
- The plan of action to reach this solution and review time if warranted
- A copy of this report is to be provided to all persons involved in the grievance, and a copy is to be retained at the workplace.

Grievance Procedures

Harmonious staff relations within the Service largely depend on staff feeling satisfied that their professionalism is being acknowledged by their involvement in appropriate decision-making processes. The quality of industrial relations is likely to be substantially better in a workplace if the decision-making processes adopted, permit staff to have input into decisions, which affect the nature and quality of their professional work.

Management and staff within the organisation will work together to develop and implement appropriate strategies to facilitate consultative and collaborative decision making processes within the workplace. Where staff feel these processes have failed and are in conflict with decisions made by Management, including the Board, the following procedures are to be ensued:

- The aggrieved person(s) is/are to discuss the grievance with their immediate supervisor

Kekeco Childcare Pty. Ltd.

- The supervisor is to report to the Nominated Supervisor/ Licensee of the grievance
- The Mediator will seek advice as necessary from other sources, (e.g.: unions, Work Cover and funding bodies)
- The Mediator will then advise Management of the possible solutions.

Meetings are to be arranged with the aggrieved person(s) as necessary throughout the process. The outcome of the grievance must be reported to the aggrieved person within a week of the decision.

Resolution of Grievances

Grievances are considered resolved when all persons involved agree to a solution, when the cause of the grievance has been removed or resolved, and when arrangements have been made, if appropriate to repair any damage and distress suffered by the persons involved. Strategies agreed upon by both parties are to be put in place to help avoid further conflict.

Unresolved Conflict

If resolution of the conflict is unsuccessful after all procedures in Grievance Policy have been followed it may then be necessary to take disciplinary action.

Confidentiality

Mediators are to use discretion and to do their utmost to maintain confidentiality. Any breach of this confidentiality could result in a charge of misconduct. However confidentiality cannot be guaranteed in the following situations: if it is considered that someone is in danger, if disciplinary action or criminal investigation might be necessary; or if employer liability might be involved.

No action will be taken against the person about whom a formal complaint is lodged until they are made aware of any allegations so that they may respond.

Support Person

A Staff member (members) is able to nominate a support person to attend any meetings with them. This person may be a union representative.

Educators, staff, volunteers and visitors will not:

- Become involved in complaints or grievances that do not concern them.
- Raise complaints with an external complaints body, such as a court or Tribunal, without exhausting our grievance procedures.
